About DDH1 Limited

DDH1 Limited, which is listed on Australian Securities Exchange with the ASX ticker DDH, is a profitable Australian drilling company servicing the mining and exploration sectors. Based in Perth, Western Australia, and led by an experienced and respected management team, DDH1 is an industry leader in deep hole directional drilling.

DDH1 employs around 1000 people and operates a fleet of 99 modern and highly specified drill rigs across its three brands – DDH1 Drilling, Ranger Drilling and Strike Drilling – to offer clients the full suite of specialised drill services. Included in the fleet line-up are dual-purpose rigs able to perform air core and reverse circulation (RC) – a precursor for drilling deeper – and diamond core drilling to enable clients to secure high-quality mineral samples.

Central to DDH1's strategic approach is the pursuit of long-term relationships with clients, built on quality drilling services and a deep understanding of their business needs.
